WARRANTY: Everything we make & sell is guaranteed to be free of manufacturer's defects for the time period specified from the original dated of purchase. This warranty applies only to frames & components that have been subjected to ordinary stresses of use for the frame or component type purchased (mountain, road, cyclocross, track, touring, or BMX) & does not apply to frames or components sold to or used by someone other than the person for whom the frame or component was built. This warranty does not cover alteration or failure due to accident, or abuse. Ti Cycles liability for breach of warranty is limited to repair or replacement of the frame or component at the sole discretion of Ti Cycles. Ti Cycles disclaims all other express or implied warranties except as provided in this section, including warranties of fitness for a particular purpose. This warranty is extended to the **original owner** of the frame or component & is **non-transferable**. In all cases, proof of original purpose is required for consideration of coverage. Custom Frames-Lifetime, Production Titanium and Steel Frames-10 Years, Full Suspension Frames-2 Years, Production Components-1 Year, Custom Components-2 Years. **All prices subject to change without notice.**
